# Short Run

## Our December 2026 link — what changes for you, in plain English

A proposal for discussion · CEA link · 26 weeks · code SR-26-F1

# The short version

Five things to take away if you remember nothing else

| 35h | 5 | 14 | 9 of 15 | 30 min |
|---|---|---|---|---|
| **the contracted week, as now** | **most days in a row** | **full weekends off a year** | **shift times you already work** | **off every closing shift** |
| no extra hours | up to 6 · today 7 | today 10 · 7 in 26 | 6 new ones | Sundays: 45 min |

**Same hours, shorter closers, weekends off never more than five weeks apart, and never more than five days in a row on the fixed rota.**

# Why the link has to change

Nobody is changing it for the sake of it

### A new timetable in December 2026

More trains, at new times — the link has to follow them.

### More of us on the link

It grows from 20 weeks to 26, so six more colleagues join it.

### New staffing levels

At least 10 on a Sunday, and more at the open and the close. We also aim for 14 on a Saturday.

### The ticket office in fixed pairs

Two early and two late, on the same shifts, every day.

**The change is coming whatever we do — the question is which version we want.**

# Will I work more?

The first thing everyone asks

| | Today | Short Run |
|---|---|---|
| Contracted hours a week | 35h | **35h** |
| Contracted days at work a week | 4.20 | **4.19** |
| Contracted days at work a year | 219.0 | **218.6** |

**No. The same 35-hour week on average and no more days; weeks run from 24h 30m to 42h 30m (today 25h 10m to 43h 50m), and two more of the days fall on a Saturday.**

# Will my basic pay change?

Basic pay follows your contracted hours

| | Today | Short Run |
|---|---|---|
| Contracted hours a week | 35h | **35h** |
| Saturdays a year, at time and a quarter | 26 | **28** |
| Sunday overtime to share — each, a year | 21 | **20** |

**No. The same 35-hour week — plus about two more Saturdays at time and a quarter.**

# Will my shifts be longer?

Every closing shift gets shorter — the average goes up about two minutes

| | Today | Short Run |
|---|---|---|
| Weekday closer — starts 15:45, not 15:15 | 8h 40m | **8h 10m** |
| Saturday closer — starts 15:15, not 14:45 | 9h 10m | **8h 40m** |
| Sunday closer — starts 15:15, not 14:30 | 8h 55m | **8h 10m** |
| Longest shift anywhere | 9h 10m | **9h 00m** |
| Average shift | 8h 14m | **8h 16m** |

**Every closing shift is 30 to 45 minutes shorter; the longest early turn goes from 8h 30m to 9h 00m, and nothing runs over 9 hours.**

# Will I finish late more often?

3 more a year after 23:00 (42, today 39); 16 more at 22:00 or later (94, today 78)

| | Today | Short Run |
|---|---|---|
| Finishing at 23:00 or later — each, a year | 39 | **42** |
| Finishing at 22:00 or later — each, a year | 78 | **94** |
| Starting at 06:20 — each, a year | 62 | **60** |
| Shortest gap between two shifts | 12h 30m | **14h 20m** |

**More people stay on after 22:00 under the December staffing; the three more after 23:00 are the fewest the rules allow.**

# Will I know the times?

15 shift times in all — 9 of them you already work

## You work these today (9)

- 06:20–14:00
- 06:20–14:20
- 06:20–14:50
- 07:15–15:45
- 08:00–16:30
- 12:00–20:00
- 14:00–22:30
- 14:30–22:00
- 15:15–23:55

## New times (6)

**Weekdays**

- 07:00–16:00 — a new early, 9 hours
- 15:00–22:30 — a new late, ending with the ticket office
- 15:45–23:55 — the closer, 30 minutes later than 15:15

**Saturday**

- nothing new — every Saturday time is worked today

**Sunday**

- 15:15–23:25 — the closer, 45 minutes later than 14:30
- 09:00–18:00 — a new early, 9 hours
- 14:30–22:30 — the ticket-office late

**Fewer shift times than today (15, not 18) — and nothing new on a Saturday.**

# Rest and weekends

The biggest improvement over today

| | Today | Short Run |
|---|---|---|
| Full weekends off, about a year | 10 | **14** |
| Most days worked in a row | 7 (up to 9) | **5 (up to 6)** |
| Rest-day breaks of two days or more | 13 of 17 | **22 of 26** |
| Shortest gap between two shifts | 12h 30m | **14h 20m** |
| Weeks on one turn, no early–late switch | 7 of 16 | **18 of 21** |

**14 full weekends off a year, at most five weeks apart, and never more than five days in a row on the fixed rota.**

# Your 26 weeks at a glance

The green bars are the full weekends off; where you start is decided later

**14 full weekends off a year, at most five weeks apart; blocks of earlies or lates up to 5 weeks, 7 if the cover weeks go the same way.**

# Booking leave

What 14 days of annual leave buys you, with Sundays off

| | Today | Short Run |
|---|---|---|
| Days off in a row — best place to book | 30 | **28** |
| Days off in a row — on average | 23.4 | **23.4** |
| Days off in a row — worst place | 19 | **20** |
| Leave for four full weeks off, at best | 14 | **15** |

**Best stretch 28 days, not 30; four full weeks off, Sunday to Saturday, costs 15 days' leave, not 14. Average the same, worst a day better.**

# More staff on the floor

More people rostered every day, at the open and the close

| | Today | Short Run |
|---|---|---|
| On duty on a weekday | 11–12 | **15** |
| On duty on a Saturday / Sunday | 10 / 8 | **14 / 10** |
| Fewest rostered on the floor | 2 | **3** |
| Avoidable fatigue warnings in the fixed rota | 4 (up to 5) | **0** |

**At least three rostered on the floor, and no avoidable fatigue warnings in the fixed rota.**

# The honest trade-offs

Nothing is free — here is what it costs

**Six new shift times to learn**
Several of them are shorter versions of the lates you already work today.

**Shifts about 2 minutes longer on average**
That is what keeps days at work to 219 a year or fewer on the same 35 hours.

**Four weeks off: 15 days' leave, not 14**
Best 14-day stretch 28 days, not 30; average as today, worst a day better.

**Two more Saturdays a year**
28 a year each, today 26 — fourteen on a Saturday, shared across 26 lines.

**A few more late finishes**
42 a year each at 23:00 or later (today 39) — the rules' minimum.

**Still a proposal**
Your views count before a link is chosen, and who goes on which line is not decided.

**None of these is hidden: each one is on the full proposal sheet too.**
