MARYLEBONE ROSTER · LINKS DESIGNER · BESIDE THE SHORTLIST

The other twenty-one designs

What each has, and what it pays, beside Common Ground, Even Step and Short Run

Prepared 7 November 2026 · every figure is computed from the rotas

Beside the three on the shortlist, each of the other designs in the pack has something, and pays for it. Every one meets every December staffing rule, and each has its own eight-page sheet; here they are A to Z, in the pack's two folders.
