People where the trains are

How far the floor staffing is from the shape of the December timetable — lower is better

Nearly twice as close to the timetable on weekdays; more than twice at weekends.

Where it stands

Three things confirmed, one decision left

Staffing levels — confirmed

The eleven December rules. Everything here is built on them.

24 people on the link — confirmed

Four more than today.

Sunday cover — confirmed

Ten on a Sunday, worked as overtime, as today.

Still to decide: who goes on which line

Who starts on which week of the link.
